

Bring Families Closer Together With Horses!

Time is in short supply these days, especially quality time for family. This series is an opportunity to build what matters most: our families! Families learn how to create more unity in their life through making healthy choices while having fun quality activity times with the ones who matter most. The Family Herd Series helps families thrive by teaching them how to communicate effectively with one another in order for everyone to learn together building resiliency and an unbreakable bond.

A New Kind of Family FUN!

Working with horses on the ground (no riding!) is an unparalleled opportunity to not only learn a new skill, but also make memories with those you love the most. This wholesome activity will strengthen relationships and build lifelong bonds that last forever.
